

# Your park, your ideas

Maleny needs a park for all ages and abilities! So, some locals have formed the **Maleny Park for All Group** to gather thoughts and ideas so we can make sure any future parks cater to our unique community.

***What sort of equipment & experiences should a new park offer?  
What do you need to climb, rest, explore, gather, listen, learn and have fun?***

Draw or write your ideas below, scan or take a picture and send it to [malenyparkforall@gmail.com](mailto:malenyparkforall@gmail.com)

Optional information: Please include the details below so we can better represent our community's thoughts and ideas to decision makers. Please respond by February 28, 2023.
